Inside this issue:

Presidents Message	1
Tech Tips	2
ABCC Upcoming Activities	3
Upcoming Events	4

I would say that we are over the hump for hot weather, at least I hope so, I am looking forward to some drives this fall and winter. I just want to remind everyone that all are invited to our drives even if you don't have a British car, we would keep the British cars together followed by the non-British cars. Sad news is that past member Dwight Drummond has passed, a donation to Hospice was given in his name. Wishing a speedy recovery

to Kristin Lubinski who had a procedure to her eyes if you have any Good and Welfare information let me know, September 19th will be World of Cars show in Deland, Bob has sent out information about this event and I'm sure a reminder in this newsletter, I am asking members to sign up and attend the show, Stay cool, Keep Calm and Keep Motoring.

Tech Tips

Digital Camera and Hard to See Places

While trying to get the distributor part number to order an electronic ignition for my E-type I had a new idea. I needed to see the distributor number and on the Jag that isn't easy. I thought that my new Bore Scope that I received from Santa would be able to see in this almost inaccessible dark hole, wrong, no way. Then the penny dropped and after some searching I was back in the garage with my little digital camera.

I managed to wiggle in place the camera and aim it with two fingers and snap about six flash photos. Five photos were of other parts but one was perfect when I zoomed in, on the in camera editing feature I could see the part number. Printed one copy and trashed the rest. The camera is about the size of a pack of cigarettes and has found a new job in my world; I might blow up the photo to 8x10 and frame it. I'm that pleased.....

Other stuff:

Q: *What was the first official White House car?*

A: *A 1909 White Steamer, ordered by President Taft.*

Q: *Who opened the first drive-in gas station?*

A: *Gulf opened up the first station in Pittsburgh in 1913.*
