June 2014

## President's Message

Inside this issue:

- 2014 Put-in-Bay Road Races Reunion 2
- ABCC Upcoming Activities 3
- Celebrations 4
- Upcoming Events 5

Hello to all. For the members who are riding out the summer down here in Florida it has already began to warm up. The early morning and late evening drives are beginning to look more appetizing. So the long mid-day car tours may not be appealing to those of us without AC.

Club officers will be checking a location for a June event that won't be too taxing on us or our cars. Let's put our heads together at the lunch bunch June 7 at Goodrich's Restaurant.

ABCC welcomes members to send any interesting photos or stories of their summer especially if your LBC is in it. Bob Storke may be persuaded to post it in the newsletter. And by the way if anyone knows of any car events going on that have not been mentioned, please share them with the club.

I'm looking forward to seeing everyone at Goodrich's!  
Safety Fast  
*Steve*

## 2014 PIB Road Races Reunion to Feature Expanded Race Car Eligibility for August 25-27 Event

The 6<sup>th</sup> annual Put-in-Bay Road Races Reunion (PIBRRR) will feature an expanded race program this year with classes for production sports cars and sedans under 3.0 liters made as late as 1973\*. Previous events have limited production-built race entries primarily to cars under 2 liters built prior to 1963. This year's event will also continue to accept sports racers under 1.5 liters, Formula Vees, and Formula Jrs and offer an exhibition class for selected race cars that don't meet the general criteria.

This year's reunion will again encompass the annual Turner USA Reunion under the leadership of Turner enthusiast, John Ruth. PIBRRR event organizers also expect another healthy turn out of MGs and Morgans, which put on a great show – both on and off the track – at the 2013 PIBRRR, by far the largest PIBRRR to date.

Beginning with a small event in 2009, the Put-in-Bay Road Races Reunion celebrates sports car races held on the streets of the town of Put-in-Bay on Ohio's South Bass Island from 1952 to 1959 and in 1963. The steadily growing, three-day reunion engages racers and non-racers alike in an event that reaches back in time to capture the atmosphere of sports car racing of that era in a uniquely beautiful setting. So book-ended around one day of sports car racing at the island's historic airport is a mix of events honoring the island's racing history, a few social gatherings, course marker dedications, a car show, original course and airport-track touring, an on your-own rally and plenty of unstructured time as well.

For PIBRRR details see the racecar eligibility form, registration form, preliminary event schedule and other information under the registration section at [www.pibroadrace.com](http://www.pibroadrace.com). 2014 will be the third year that a full day of racing has been included in the program.
